

Panel 1: Birth of a Spark

In a sun-dappled forest clearing, Zero proudly summons a cute, chubby little dragon from a glowing magical circle on the grass.

Caption: Deep in the whispering woods, the scent of ozone and burnt grass fills the air with a soft, sparkling *poof*.

Zero stared in utter disbelief. He was trying to summon a legendary beast of destruction, but instead, he got... a very round, very spicy potato. 'Well, aren't you just a little spark of trouble?'
