

Panel 1: A Spark of Life

*In a lush, sun-dappled forest, a young anime protagonist named Zero watches in pure delight as a tiny, cute dragon hatches from a glowing magical egg he just created.*

Caption: Deep in the whispering woods, the gentle hum of ancient magic fills the warm afternoon air. Zero couldn't help but grin from ear to ear. His very first conjuration, and it's already looking for a snack! 'Welcome to the world, little buddy!'
